

# Homework schedule overview for 2023/24

## YEAR 7 HOMEWORK

### READING HOMEWORK

Sept – July : Students are expected to read for 20 minutes (minimum) 5 times a week – recording the page numbers they read from and to and a short summary (at least 2 sentences) in their planners for each day they read.

### SUBJECT HOMEWORK

October half term– July: Students have 2 weeks to complete one subject based homework project at a time. The homework is given to them in their subject lesson in the first week of the homework cycle. They are expected to bring their developing homework with them to the following week's lesson for review and guidance from their teacher. Both the review lesson date and the hand in deadline date should be written in their planners, to remind them.

## Year 7 Homework @ Callerton Academy

- READING HOMEWORK**
  - Sept – July : Students are expected to read for 20 minutes (minimum) 5 times a week – recording the page numbers they read from and to and a short summary (at least 2 sentences) in their planners for each day they read.

- SUBJECT HOMEWORK**
  - October – July: Students have 2 weeks to complete one subject based homework project at a time.
    - Students are given 3 tasks to choose from – they must complete at least 1.
    - Each task has detail about what to include in it and how students can do well.
    - Students get LOTS of feedback on how to become better at working independently
    - All work is given pride of place in our school displays.
    - Staff emails are included on homework tasks in case students or parents/carers need to ask any questions.

#### DAY 1

Homework is set in class, paper copies of the tasks are issued to every student and a whole lesson is spent planning out how to create an amazing piece of work, including looking at examples.

#### DAY 7

1 week after homework is set students bring in the work they have done so far. They are given feedback on how to improve their work and a chance to use arts and crafts materials and school laptops.

#### DAY 14

2 weeks after homework is set students must bring in a paper copy of their work (advice on printers is on homework sheet). During this lesson they self reflect on their work and have a peer assess their creation!
