

The school day @

Callerton Academy

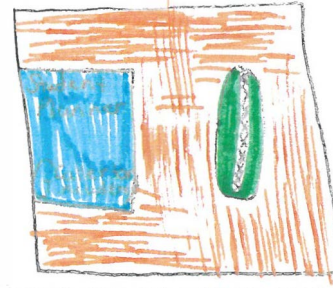

I arrive at school at 8:30am and show my planner to the teacher at the school entrance.

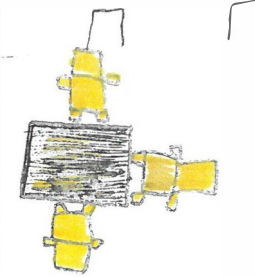

I go to my form class, the register is called at 8:45am. I read my book and listen to what the teacher has to say.

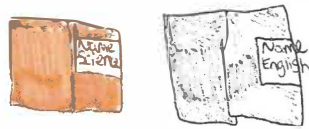

I bring my bag with me to every lesson. I get out my planner and pencil case and put them on my desk. I listen for the teacher's instruction.

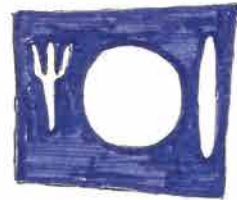

At break time, I either go to the dining hall or outside to the playground. I can chat to my friends, have a snack, fill up my water bottle and go to the toilet.

I have two more lessons before lunch time.

At lunch, I can get in line for school dinner, or sit down with my friends to eat my packed lunch. Once I am done, I stay to chat to my friends or I go outside.

On a Monday - Thursday, I have two more lessons after lunch, then either PRAISE, 7UP or whole school reading.

On a Monday - Thursday I go home at 3:30pm. On a Friday there are only two lessons after lunch, and I go home at 2:40pm.
