

HOMework

**Callerton
Academy**

At Callerton Academy, I will have to read my Accelerated Reader school reading book for 20 minutes every night, for five nights a week.

I can either read from Sunday – Thursday night, or from Monday – Friday night.

Each time I read I must write a summary sentence about what I have read.

19
Friday

In Chapter Five...

I also must write the page numbers I have read, in my planner, too.

12
Monday

pg 74-96

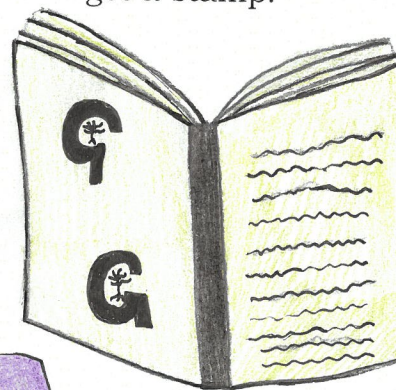

My teacher will check my planner, every day, to check I am recording my reading as I am supposed to.

If I don't record my reading with the page number and a summary sentence, or if I don't read for 20 minutes a night, I will get a planner comment.

But every time I do read, I will get a stamp!

Later in the year, I will get additional homework, through homework projects. But right now, I just need to focus on reading for five nights a week, for 20 minutes a night, writing the page numbers I have read and writing a summary sentence in my planner!
