

# The PRAISE CODE @

At Callerton Academy we have a rewards system called the PRAISE code. I receive stamps in my planner every lesson from teachers. Each teacher has a different stamp with their initials on.

To receive stamps I must be on task, on time and on side. This means I am concentrating on my work, I arrive to my lesson on time and I am listening to my teacher.

I will do my work and put 100% effort

If I work well I will get 1 stamp, If I work really well I will get 2 stamps and if my work is EXCELLENT then I will get 3 stamps.
