

## Callerton Academy Permanent Site

### Newsflash: May 2023

In our March newsletter we said that post Easter we would be able to share with you the details of our new school building contractor and we are delighted to announce that following a successful procurement and tender process with the DfE that Morgan Sindall have been appointed under a pre-construction services agreement (PCSA) to take forward the next stage of design and planning.

Morgan Sindall are in a strong position to be able to commence early works on site in autumn this year. This means we are still very much on schedule to complete the build of our new school during the summer term of 2025, ready to open its doors to students at the start of the new school year in September 2025.

In the meantime, the DfE team, Morgan Sindall and the Trust have been working hard to finalise the building design and layout. Very soon, we will be able to share these plans with you during a period of public consultation, where you will have the opportunity to share your views and thoughts ahead of any revisions to the planning submission.

As you know we have a parent/carer update meeting on **16<sup>th</sup> May 2023, held at Gosforth Academy, commencing at 5:30pm**. It would be great to see as many of you there as possible.

We are looking forward to sharing more news about the project with you at the parent/carer update meeting and appreciate your continued interest and support.
