

Careers Provider Access Statement

Introduction

This statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in Years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of the Provider Access requests

Procedure

A provider wishing to request access should contact:

Jess Davidson, Senior Leader for Safeguarding, Behaviour and Attendance (oversees the school's careers provision)

Telephone: 0191 605 3835

Email: jessica.davidson@callertonacademy.org.uk

Opportunities for access

The school is developing opportunities for providers to come into school and speak to students and/or their parents/carers. Please contact the Vice Principal to identify the most suitable opportunity for you.

Throughout the year, our website will be updated highlighting the opportunities provided by the school and local providers to help our students to understand different career options and opportunities.

This page was updated in October 2023.
