

Options Lists

Students select one subject from each list. They must select either History or Geography from one of the lists (in the grey boxes).

The school has based these lists on student opting patterns and there are ample opportunities to study a wide range of subjects; several courses are in more than one list. During the options process, we will continue to review these to ensure that they reflect the preferences of our students.

These lists have been designed to ensure that we can run a broad and efficient curriculum.

List 1	List 2	List 3	List 4
